The Culinary Quick Bites training series is a tool to help child nutrition professionals develop and refine their culinary skills. Each lesson is designed to last approximately fifteen minutes. Each lesson should be facilitated (led) by the person responsible for overseeing food production at a meal site, service area, or the district level.

Training facilitators should review the training, in its entirety, prior to conducting the training.

This training has been developed to address a variety of learning styles. The training includes an overview of the topic presented by the facilitator, an infographic to reinforce the training topic visually, a video to demonstrate the topic, and an activity to reinforce learning.

Please contact the Institute of Child Nutrition Help Desk at 1-800-321-3054 or helpdesk@theicn.org if you have any questions about how best to facilitate this training.

Food Production – 2100

Employee will be able to effectively utilize food preparation principles, production records, kitchen equipment, and food crediting to prepare foods from standardized recipes, including those for special diets.

2130 – Develop culinary skills necessary for school meal preparation.
This training counts for 15 minutes of training credit under USDA Professional Standards learning objective 2130 – Develop culinary skills necessary for school meal preparation.

The activity at the end of the lesson involves cutting basil using the chiffonade cut. This activity helps reinforce knowledge and skills learned during this lesson. The basil prepared during this lesson may be included in the next day’s menu production.

Before the training, prepare for the lesson activity and set up the kitchen workstation as described on page 11.

Deliver the lesson/training to participants:
  • Read the lesson overview to the participants.
  • Discuss the infographic and how it relates to the training topic.
  • View the instruction video with participants.
  • Answer any questions participants may have on the lesson, infographic, and video.

Complete the activity as instructed on page 11.
• Anti-slip mat – 1 per person
• Cutting board – 1 per person
• Chef knife – 1 per person
• Washed basil leaves – at least 4 per person
• Waste pan – as needed
• Food pan – as needed
• Infographic: How to Chiffonade – 1 per person
• Access to a screen to show the training video. Possible options include:
  • Site computer monitor with sound
  • Projector with sound
  • Tablets and smartphones
  ■ A QR code has been provided for quick access to the video on handheld devices.
OBJECTIVE:
At the end of this lesson, participants will be able to replicate the knife cut, chiffonade.

GENERAL INFORMATION ABOUT CHIFFONADING

- Chiffonade is a slicing technique in which leafy green vegetables such as spinach, sorrel, Swiss chard, or a flat-leaved herb like basil, are cut into long, thin strips.

- Shredded lettuces, such as iceberg and romaine, are, in essence, chiffonade cuts.

- “Chiffonade” means little ribbons in French, referring to the little ribbons formed from finely cutting the leaves in this technique.

- Used to flavor and garnish dishes.

STEPS OF A CHIFFONADE CUT

1. Rinse and dry the leaves.

2. Stack the leaves.

3. Roll the leaves tightly.

4. Slice the leaves perpendicular to the roll.

5. Unroll and separate the ribbons.

HOW TO CHIFFONADE

- Utilizing the infographic, review the process for the chiffonade technique of cutting.

- Review the embedded training video.

After we review the infographic and video, there will be an activity to reinforce skills learned.

QR CODE

Utilize the QR code embedded to the right to share the video with staff utilizing handheld devices such as smartphones and tablets. Use the photo app on the smart device to scan the code to be directed to the video.
NOTE: If your site does not have enough materials for all participants to complete the activity simultaneously, divide participants into groups based on your materials. Allow enough time for each participant to complete the activity.

SETUP INSTRUCTIONS FOR FACILITATOR

1. Prior to the training, gather all of the materials needed for the activity. Pre-wash the basil leaves that will be used for the training. Set up a workstation for each participant with an anti-slip mat, cutting board, chef knife, and basil leaves.

2. During the activity, remember to monitor and observe staff as they practice their culinary skills.
ACTIVITY INSTRUCTIONS FOR PARTICIPANTS

1 Refer the participants to the infographic. Then read the instructions for the activity. Ask the participants if there are any questions before beginning the activity.

2 Instruct all participants to wash their hands and put on single-use gloves before starting the activity.

3 Each participant will chiffonade basil leaves.
   - Instruct participants to take their time and practice their cuts carefully.
   - Discard waste.
• After completing the hands-on activity, recap the lesson with the participants. Offer an opportunity for participants to share their learning experience during the training and highlight any tips or takeaways they want to share with the group.

• If time allows, facilitate a discussion with the participants. Suggested discussion topics include:
  • Ask participants to describe how they can use the chiffonade cut with current menu items.
  • Ask participants to describe if a chiffonade cut will help with garnishing foods to enhance the visual appeal.

• Ask if the participants feel more comfortable with the chiffonade cut or want more time to develop the skill further if time allows.

• Plan the next training session based on the needs of your staff.
