

Purple Power Bean Wrap

NEWMAN ELEMENTARY SCHOOL
Needham, Massachusetts

Our Story

Newman Elementary School is the largest elementary school in the Needham Public School District. It serves over 700 students in preschool through the 5th grade, offering an engaging and supportive learning environment to all of the students.

The recipe competition was a great opportunity for the students to play a major role in sustaining a healthy school environment. Six students were able to participate on the recipe challenge team, which worked for several weeks trying different recipes that combined puréed beans with a variety of different ingredients.

The team eventually decided that avocado and purple cabbage yielded the best color and flavor combination. Their end result was an entrée called Purple Power Bean Wrap—a delicious, nutritious, and really cool vegetarian meal. It is sure to surprise and delight your children!
