CHARTER OAK INTERNATIONAL ACADEMY

West Hartford, Connecticut

Our Story

Charter Oak International Academy, nestled in the midst of the West Hartford, Connecticut School District, is a thriving magnet school with students from 20 countries, speaking 14 languages! For the contest the recipe challenge team included students from three schools involved in the *Chefs Move to Schools* program or *Farm to School* pilot program and one of the founders of “Growing Great Schools,” a newly formed parent advocacy group. The team’s objectives were to improve the nutritional quality of meals being served in schools and to connect students with their food sources. To test the recipe, Fiesta Wrap was served to over 250 students, and an overwhelming majority gave the recipe a “thumbs-up.” This winning creation combines spices, whole grains, legumes, and vibrant vegetables to create a taste that is unforgettable. To top it off, kids can crown their wraps with fresh tomatoes, lettuce, and corn salsa.

The team was excited to work on the contest and was even more thrilled when their recipe was chosen to be featured in this cookbook.
