Our Story

For this recipe competition, the South Education Center Alternative (SECA) School created a recipe challenge team, which developed the national cook-off Grand Prize winning Porcupine Sliders.

What exactly are Porcupine Sliders? Meant to be served as an entrée, they are healthy, mouth-watering turkey burgers, high in protein, with just the right amount of spices and a kick of sweet cranberries, all served on whole-grain rolls. Students put their heads together in the school kitchen, mixing and matching the ingredients to find the perfect blend. They worked hard and had fun developing the tasty burger. The addition of brown rice to the burger mixture created a prickly look like little porcupines – thus their name. Then the school's foodservice professionals made the sliders, and the team served them to their classmates that ate school lunch that day. After surveying the lunch room, the team received the positive feedback they needed to enter the competition for the big win!

Porcupine Sliders are a delicious, nutritious, and appetizing new way to get kids to eat healthy. The simple ingredients and easy preparation makes them a favorable choice for a quick menu idea that kids will enjoy!
