

Whole Grains

This rich and creamy recipe gives ordinary chicken alfredo a healthy twist, combining fat-free half and half with canned cream of chicken soup and whole-grain rotini noodles.

Chicken Alfredo With a Twist

VAN BUREN MIDDLE SCHOOL
Kettering, Ohio

Our Story

Located in southwest Ohio, Van Buren Middle School is a proud member of the Kettering City School Family. The school continually strives to be a leader in educational excellence.

The Van Buren Middle School recipe challenge team initially developed nine recipes for testing. From these recipes, five were prepared and served to approximately 500 students. Students were asked to vote for their favorite two recipes and provide comments. The team submitted two recipes to the *Recipes for Healthy Kids* Competition, and the Chicken Alfredo With a Twist recipe proved to be a winner! The team felt that the experience was an excellent way to gain student support and to market healthy choices for the lunch menu.

This recipe saves on fat and calories by using fat-free half and half, and boosts the fiber content by incorporating whole grains, using whole-grain rotini instead of traditional fettuccine noodles. These 'twists' make this a healthy alternative to the classic chicken alfredo that students will surely delight in eating.
