

# Zoom Attendee Overview Tips

When you join a Zoom meeting hosted by another user, you are considered an attendee.

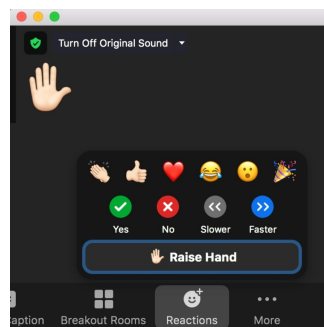

Attendees have access to these features:

**Mute / Unmute:** Mute and unmute your microphone.

**Start Video / Stop Video:** Turns your camera on or off.

**Non-verbal feedback:** Places an icon beside your name to quickly notify the host.

**Chat:** Access the chat window to chat with the participant.

**Leave Meeting:** Leave the meeting while it continues for the other participants. Only the host can end the meeting.
