

# STEPS FOR EMERGENCY PREPAREDNESS

## STEP FIVE

### Practice emergency preparedness drills.

Conduct emergency preparedness drills that address each of the disruptions identified in the emergency preparedness plan. Routine drills may enhance employees' abilities to respond properly during an actual emergency.

## EMERGENCY PREPAREDNESS DRILLS

Practice implementing your emergency response plan by conducting drills simulating an emergency situation.

## ADDITIONAL EMERGENCY PREPAREDNESS DRILLS

Under the direction of the foodservice director, conduct drills.

Designate a specific day and time for drills.

Revise the plan accordingly.

## POTENTIAL STANDARD OPERATING PROCEDURES TO USE FOR DRILLS

- Food recalls
- Lockdown
- Shelter-in-place
- Electric power disruption
- Water supply disruption
- Gas disruption
- Building evacuation
- Severe weather
- Community health crisis
