STEP-IT-UP TO HANDWASHING SUCCESS

Step 1: Always begin by wetting hands with warm, running water.

Step 2: Apply soap.

Step 3: Vigorously scrub hands together for 20 seconds. Scrub the backs of hands, between fingers, and under nails.

Step 4: Rinse hands thoroughly under running water.

Step 5: Dry hands with a paper towel and use it to turn off faucets.

Step 6: Throw away the paper towel.
