PLANTING AND HARVESTING FOOD SAFETY TIPS

Contact your local health department for guidelines before planting a school garden.

Enclose garden to help keep out animals.

Avoid using chemicals in school gardens.

Discard any and all damaged produce in the compost or trash.

Water plants at the root or use drip irrigation.

Transport foods from the garden to the school in clean, sanitized containers.

Wash hands
- After handling soil or planting seeds. Remove visible debris from under fingernails
- After handling any animals
- Before harvesting

Harvest only when you are healthy!
