FY17	USDA NFL-Fuel up to Play 60	Since 2009, USDA has awarded \$215 million in school nutrition equipment grants, including \$30 million being announced today. This year, Fuel Up to Play 60, who has provided more than \$22 million in funds to schools throughout the country, is joining USDA's effort by providing an additional \$5 million through a separate, but concurrent, grant application process.	http://www.fns.usda.gov/nsfp-equipment-assistance-grants	Funding will support the purchase of new equipment and/or the renovation/replacement of equipment. Equipment may include large and small items including utility carts, utensils, large-capacity food processors, industrial scales, steamers, freezers etc. Infrastructure elements may include building needs related to physical space, electricity, plumbing, ventilation and other	6/30/2016	8/2/2016	\$8,000
